# Greg Clark Farms

Location: Hammonton, New Jersey

Product: Fresh/Frozen Blueberries

-Fourth Generation Family Farm

-100% Drip Irrigation

-Integrated Pest Management Program

-Organic

Incorporated in the 1890's by the great grandfather of the current owner as Green Mount Farms (Russell P. Clark), where they grew peaches and apples on 40 acres – the farm is now expanded to 175 acres and houses mostly conventional blueberries, as well as organic.

The farm includes drip irrigation to conserve water and monitoring by the Rutgers University Integrated Pest Management Program.

*Jersey Fruit*  
A Farmer-Owned Cooperative since 1940
