-IPM Program

Owners Sharon And Joe Montalbano bought their first 10 acres the year they got married in 1985. They farmed together with Sharon's parents who owned South Jersey Blueberries. Joe retired from the Newark NJ Fire Dept in 2003 and began farming full time. In 2008 Sharon and Joe bought Sharon's parents land and renamed it JSM Blueberries.

Sharon and Joe have 4 children who grew up working on the farm.

JSM Blueberries has always been about family working together to grow the best blueberries for all to enjoy.
