Established in 1887. Glossy Fruit Farms has been a family farm for over 133 years and we are now entering our fifth generation. The farm has always been an advocate of agriculture in New Jersey. At the present time the farm consists of 500 acres and is run by Tony and Hank Rizzotte. Hank Jr. is also involved in the operation of the farm. We look forward to carrying on the family business that started in 1887 on a 35 acre farm in New Jersey.
