LoSasso Farms

Location: Hammonton, New Jersey

Product: Fresh/Frozen Blueberries

-Second Generation Farmer

-Drip Irrigation

-IPM Program

LoSasso Farms has been family owned since 1956 – the current owners (husband and wife, Donnie and Cheryl Losasso) have been running the farm since 2004.

LoSasso Farms consists of 21 acres of blueberries featuring drip irrigation.

The packing house at LoSasso Farms is run completely by family and friends and has been like that since 2005.

The farm is part of Rutgers University Integrated Pest Management system.

Jersey Fruit
A Farmer-Owned Cooperative since 1940
